

TEMPORARY/ CONTRACT PLACEMENT

“On average, these temporary workers displayed better performance relative to goals compared to their full-time counterparts... [later hired as full-time employees] continued to become better workers after becoming permanent.”

- Joe Broschak (University of Illinois)

Benefits of Temporary / Contract Placement

Find the Long Term Fit

- Allows you to test the abilities of the new workers before signing them on full time.
- Weed out the less productive workers.

Save TIME & MONEY

- Pay for hours worked instead of a salary for full-time employment
- **We become their employer.**
- **WE** will be responsible for and bear:
 - Financial burden of recruiting, screening, testing and hiring
 - Payroll Expenses & Paperwork:
 - Taxes, unemployment, workers comp, benefits

Temporary/ contract placement is an effective means of recruiting permanent staff.

Talented people are the driving force behind every successful organization.

This gives you the opportunity to evaluate your prospective employees without some of the risks.
